

Jesus, Shepherd

by Doreen Tamminga

Jesus, Shepherd, show my sin—
How I am so dark within;
Make me sorry, help me pray,
And to love Thee more each day.

Yes, Jesus sees me,
Yes, Jesus calls me,
Yes, Jesus leads me,
And I must follow Him.

Jesus, Shepherd, teach the way
I must live from day to day;
Give me grace to keep Thy law
And to love, as I am taught.

Yes, Jesus sees me,
Yes, Jesus calls me,
Yes, Jesus leads me,
And I must follow Him.

Jesus, Shepherd, lead me on
To the place where Thou art gone.
Every year I live on earth
Show me more my Shepherd's worth.
